

Ubi Caritas' *St. Patrick's Festival*

January 5, 2017

Dear Supporter,

It's that time again for the 2nd annual Ubi Caritas St. Patrick's Craft Beer Festival. We are thrilled to announce that this year's event will be held on Saturday, March 4, 2017 from 2 p.m. – 6 p.m. located at St. Mark's Episcopal Church in downtown Beaumont. By partnering with 2-Row Distributing, we are providing an opportunity for 500 attendees to discover and sample over 80 different craft beers of choice. New this year, we will have several food trucks from all over Southeast Texas serving their delicious creations to our festival goers!

Ubi Caritas is a privately supported, non-profit, 501 (c) (3) organization dedicated to meeting the needs of the medically underserved of Southeast Texas. Since opening our doors in 1998, Ubi Caritas has partnered with Legacy Community Health and Family Smiles, providing access to primary and acute medical care along with dental care. We also offer community health education, such as a prenatal 'Becoming a Mom' class and a diabetic education program, plus case management support for at-risk patients.

Our mission is to provide a helpful and supportive environment in which to offer programs of healing, teaching, and acts of kindness. Through our 'Health is Hip' children's program, we work to empower the youth of Southeast Texas by helping the children and their families adopt a healthy lifestyle in an attempt to reverse the increase in childhood obesity and the chronic conditions it causes. More than 38,000 - one in every three - people in our community area lack health insurance. The demand for low-cost care in this area is consistently greater than available community resources. Through our partnerships and caring programs, we can provide an accessible option for many to receive affordable primary health care and health education. Ubi Caritas is definitely a one-of-a-kind ministry.

Ubi Caritas continues to strive and expand its programs and offerings to the community. 100% of the funds raised from our event, including tickets sales, sponsorships, and donations stay local to support our outstanding community programs. I would like to extend an invitation to you and your company for the opportunity to become a sponsor of this truly unique event.

Enclosed is the information regarding this year's sponsorship levels. Each level has a different value to you and your business. It is only with the support from our community that we are able to provide and assist others.

As always, we are grateful for your kind consideration, and I look forward to your participation.

Sincerely,

Taryn Robinson
Development Director
